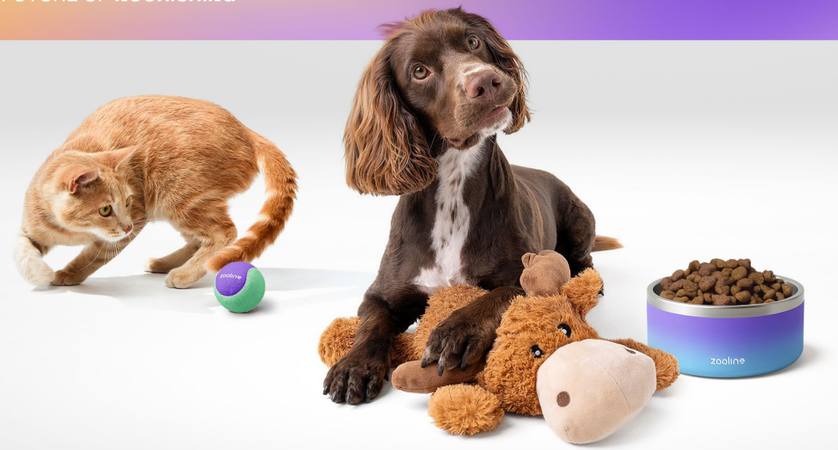
THE FUTURE OF **NOURISHING**



zooline

Zooline is a pet food manufacturer based in Egypt, producing dry and wet food for local and export markets. We provide private-label manufacturing, co-manufacturing, and distribution solutions for partners across the Middle East and Africa.

Our focus is on innovative research and development, consistent quality, traceability, and scalable production. Using SAP ERP for real-time supply chain control, we ensure every batch is monitored from raw material intake to final dispatch.

With in-house brands like Gro and Marvy leading our product portfolio, along with several joint ventures, Zooline supports retailers, distributors, and brand owners with tailored formulations and reliable delivery.
